This document only concerns vehicles marketed in the UK. The information on models and their characteristics corresponds to a definition at the time of printing of this document; it cannot be considered as contractual. Leapmotor International BV reserves the right to change the characteristics of the models presented without prior notice, without being obliged to update this document.

<sup>^</sup>The LEAP-GRANT saving (the "Saving") is a £3,000 saving towards the on-the-road OTR of a new Leapmotor T03 (37.3 kWh) only (the "Qualifying Vehicles"). The saving is offered by Leapmotor International Business S.P.A. at the point of order and is available to private retail customers and UK residents only. Excludes fleet, business and Motability sales. It applies to the Qualifying Vehicles ordered between 18 July 2025 and 30 September 2026 inclusive from authorised Leapmotor retailers. The saving will be deducted from the on-the-road OTR of the Qualifying Vehicles and cannot be redeemed for cash or combined with any other retail offer unless explicitly stated.

<sup>††</sup>3 years Leapmotor warranty plus 1-year additional warranty cover. Terms and conditions apply.

## Technical specification and data

### ENGINE

|                   |          |
|-------------------|----------|
| Fuel Type         | Electric |
| Battery Capacity  | 37.3 kWh |
| Max. Power Output | 95 HP    |
| Peak Torque       | 158 Nm   |

### TRANSMISSION

|            |           |
|------------|-----------|
| Gearbox    | Automatic |
| Drive Type | FWD       |

### PERFORMANCE

|                       |              |
|-----------------------|--------------|
| Acceleration 0–62 mph | 12.7 seconds |
| Top Speed             | 81 mph       |

### FUEL CONSUMPTION & EMISSIONS\*

|                                       |                |
|---------------------------------------|----------------|
| Electric Consumption (WLTP, combined) | 16.3 kWh/100km |
| CO <sub>2</sub> emissions             | 0 (g/km)       |
| BIK rate <sup>^^</sup>                | 4%             |
| Electric Range (WLTP, combined)       | 165 miles      |

Fuel economy and CO<sub>2</sub> results for the fully electric Leapmotor T03 (95 HP). Mpg (l/100km): N/A. CO<sub>2</sub> emissions: 0g/km. Electric range up to 165 miles (WLTP). For comparison purposes only. Range achieved in real world may differ according to factors such as accessories fitted, battery condition, weather, driving style and vehicle load.

<sup>^^</sup>The BIK rate figure is for the 2026/27 tax year running from April 6th 2026 to April 5th 2027.

WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real-world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre- and post-registration), variations in weather, driving styles and vehicle load. For more information, contact your local Leapmotor Retailer.

Leapmotor reserves the right to change, amend or withdraw this offer at any point in time. Correct at time of print.
